

Subject: ACER ART-2 Results for Pat Sample

The Applied Reading Test – Second Edition (ART-2) General / Clerical Booklet is a measure of the ability to understand written material commonly seen in the context of an administrator / clerical position or course. It is indicative of the ability to read and understand information in a variety of formats (e.g., emails, signs, instructional texts, brief legal notes). This involves the ability to recognise the words, understand what they mean individually and in a sentence, as well as apply and demonstrate this understanding when answering the questions.

The following ACER ART-2 results have been generated for Pat Sample:

Test:	ACER ART-2
Sub-test:	General / Clerical
Raw Score:	27
Percentile Rank:	69
Stanine Score:	6 (Average)
No. of Questions Attempted:	25

Candidate Details:

Login Code:	AGC-00235023
First Name:	Pat
Last Name:	Sample

Percentile Ranks show the percentage of the reference group with scores below the candidate's score. For example, a percentile rank of 58 means the candidate has scored better than 58% of the reference group. Percentile ranks range from 1 to 100, with a higher score indicative of a higher level of reading ability.

Stanines provide a score for the individual compared to the reference group ranging from 1 to 9, with higher scores indicative of a higher level of reading ability. For example, a stanine of 2 means the candidate has scored well below average to the reference group.

ART-2 Scale Score: **74.6**

ART-2 Scale Scores allow for comparisons among test-takers using different test forms. For more information, please look in the manual.

The Applied Reading Test – Second Edition (ART-2) Basic Literacy Booklet is a measure of the ability to understand written material commonly seen in the context of an operational role or basic course of study. It is indicative of the ability to read and understand information in a variety of formats (e.g., signs, diagrams and simple text commonly found in a warehouse, factory or manufacturing plant) and is suitable for those with little formal education or who come from a non-English speaking background. This involves the ability to recognise the words, understand what they mean individually and in a sentence, as well as apply and demonstrate this understanding.

The following ACER ART-2 results have been generated for Pat Sample:

Test:	ACER ART-2
Sub-test:	Basic Literacy
Raw Score:	10
Percentile Rank:	4
Stanine Score:	1 (Very Low)
No. of Questions Attempted:	25

Candidate Details:

Login Code:	ABL-00235023
First Name:	Pat
Last Name:	Sample
